Rockingham County
Executive Committee
To preview the proposed
County Budget for 1972

Exeter, N. H.
County Building
January 31, 1972
10:30 A.M.

Present:

Representatives: Adams, Casassa, Collishaw, Connors,
Cummings, Dame, Fiske, Goodrich, Greenwood, Hammond,
Leavitt, Maynard, Page, Palmer, Stimmell.

Commissioners: Hall, Driscoll, Tufts.

Head Bookkeeper: Mrs. Walker

Administrators of County Home: Mr. & Mrs. Hilton

Director of Public Works: Karl Wuerker

The Press

The Rockingham County Executive Committee met at the County Justice Building on January 31, 1972 at 10:30 A.M. to preview the proposed County Budget for 1972. Commissioner Hall reminded the committee that no vote on the proposed budget would be in order.

Rep. Casassa, chairman of the Rockingham County Convention called the meeting to order and requested that the clerk call the roll. The fifteen representatives listed above answered the call.

Rep. Casassa turned the meeting over to Rep. Leavitt, chairman of the Budget Committee. The cumulative fourth quarterly report for the year 1971 was the first order of business. The various deficits were discussed. Concern was expressed over the lack of a public hearing regarding the deficit. However, it was noted that all departments were alerted in October to curtail expenditures. Bills were authorized to be paid in anticipation of a small surplus. Rep. Cummings moved, seconded by Rep. Greenwood, that the reports be accepted. Motion carried.

In deference to Mr. and Mrs. Hilton consideration of the proposed County Budget for 1972 began with the County Home. A ten-page summary of the 1972 Disbursement Budget Estimate was provided. Mr. and Mrs. Hilton, Mr. Wuerker, and the three commissioners spent until recess at 12:28 answering concerned

questions in great detail.

Following a delightful luncheon at the Exeter Inn, the meeting resumed at 2:20 P.M. Rep. Collishaw asked that it be noted in the permanent record that the National Association of Counties had chosen Sheriff Samson, Commissioner Hall, and Commissioner Driscoll to serve on Steering Committees of that organization. It was mentioned that only about thirty members are so honored. Rockingham County is honored to have three members selected. Commissioner Hall is to serve on the steering committee — "Welfare". Commissioner Driscoll is to serve on the committee — "County Planning and Development". Sheriff Sampson is to serve on "Crime and Public Safety". Congratulations were extended by the entire Executive Committee.

The preview of the budget continued by returning to the first category — Salaries. No increases were recorded. Rep. Hammond, chairman of the sub-committee-Registry of Deeds noted that unanimous decision of that sub-committee to suggest that Register Holland receive the maximum salary \$11,000.00.

Mr. Karl Wuerker, Director of Public Works explained the proposed budget and several suggested special items that his duties reflect. Rep. Adams moved, seconded by Rep. Goodrich, that a sub-committee be appointed to "look into" the telephone costs of the Exeter Court House. Rep. Casassa appointed Rep. Adams, chairman and Rep. Page and Rep. Maynard as the sub-committee directing them to report as soon as possible.

Rep. Dame, chairman of the sub-committee of the Registry of Probate lifted up the need of area carpeting in that department where the girls work because of the cold floors.

Rep. Collishaw and Rep. Adams gave, in fine detail, explanation of the proposed budget for the Sheriff's Department.

The tremendous value of the use of sub-committees was quite visible during the meeting. Pleasure was expressed many times for the printed detail with which each department presented its budget.

Commissioner Hall addressed the committee concerning some outstanding bills unpaid because of the oversight of a Boston Bank to advertise the sale of bonds for two successive weeks in a New Hampshire paper of state-wide circulation. Furthermore, Bond Council would not permit the sale of bonds until the fact of legal suit is settled. These complications create the need for a temporary loan of \$200,000.00. Rep. Adams moved, seconded by Rep. Connors, that the County Treasurer be authorized to secure for ninety days a temporary loan of \$200,000.00, providing it be legally possible. Motion carried.

Rep. Greenwood, chairman of the sub-committee to meet with the Cooperative Extension Service, spoke of the several meetings held with the Extension. He noted the need for air conditioning as the department is situated over the boilers. He drew attention to the work of the Forester and to the unanswered requests for assistance due to cut back last year. He noted the small increase in the budget proposal.

Fire Chief Toland appeared to speak in behalf of the special request for \$1500.00 for use at The Fire Training Site to be used primarily to install a sewage system.

Rep. Casassa thanked the sub-committees for their dedicated efforts and the Commissioners for providing such detailed explanations of the proposed budget. He reminded the Executive Committee of the Public Hearing to be held at the County Building, February 12, 1972 at 10:30 A.M. Also, of the Executive Committee Meeting to be held at the County Building on February 14, 1972 at 9 A.M.

Meeting adjourned at 4:45 P.M.

Rockingham County
Executive Committee
To formulate a budget
to present to the delegation

Exeter, N. H.
County Building
February 14, 1972
9 A.M.

Representatives: Adams, Collishaw, Connors, Cummings,
Dame, Fiske, Gelt, Goodrich, Hammond, Leavitt, Maynard, Page,
Greenwood, Palmer, Stimmell.

Commissioners: Hall, Driscoll, Tufts.

Ms. Walker, Head Bookkeeper.

The Press.

Rep. Cummings, Vice-chairman of the delegation called the meeting to order in the absence of the chairman. The above named representatives answered the roll call. He announced the purpose of the meeting to formulate a budget for 1972 to be presented to the full delegation on February 28, 1972. The meeting was then turned over to Rep. Leavitt, Chairman of the Budget Committee.

PROPOSED BUDGET – 1972

SALARIES

1. Commissioners (3) \$15,000.00

Rep. Maynard spoke to the desirability of removing the \$5,000.00 ceiling on the county commissioner's salary. He said that no longer could the position be considered a part-time job. He felt that by setting a higher salary for 1973 candidates running for commissioner would know the salary they would get. Commissioner Driscoll explained the statute. Rep. Maynard asked that the record show that this Executive Committee was in favor of removing the \$5,000.00 salary for county commissioner. Common assent.

Rep. Gelt moved, seconded by Rep. Dame that the county commissioners salaries remain the same. Voted.

3 Commissioners at \$5,000.00 \$15,000.00

2. Treasurer & Deputy \$1,700.00
Rep. Adams moved, seconded by Rep. Dame the item. Voted.

3. Attorney \$10,000.00

Rep. Goodrich moved, seconded by Rep. Gelt that the attorney's salary be set at \$9,000.00. Voted. Later in the day when Attorney Eldredge was invited to appear before the committee he spoke of the workload and requested the committee reconsider its action and increase his salary to the limit of \$10,000.00. He spoke of the promise of a roving attorney to assist in Rockingham County by the Attorney General. Rep. Cummings moved reconsideration, Rep. Adams seconded the motion. Rep. Adams moved, seconded by Rep. Goodrich that the salary of the County Attorney be \$10,000.00. Voted.

4. Auditors \$750.00

This item set by the court was moved by Rep. Dame, seconded by Rep. Page. Voted.

5. Sheriff \$12,000.00

6. Register of Deeds \$11,000.00

Rep. Hammond moved, seconded by Rep. Gelt that the salaries of the Sheriff and the Register of Deeds be set at the statutory limits of each. Voted. Sheriff \$12,000.00 and Register of Deeds \$11,000.00.

Commissioner Hall mentioned at this time the thought of the possibility that Sheriff Sampson might serve as Superintendent of the Jail, a task that he was already doing unofficially since September. This idea was well received and Sheriff Sampson was invited in to hear the proposal. He asked for time to consider.

EXPENSES OF:

7. County Officers \$6,200.00

a. assoc. dues 973.00 — Adams moved, seconded by Dame, carried.

b. small county book 700.00 — Gelt moved, seconded by Collishaw. Rep. Goodrich advanced the thought that putting out bids for both the county book and the report book might attract a better bid as a single combination. Voted \$700.00.

c. Law Books 100.00. Rep. Goodrich moved, seconded by

Connors. Motion carried.

d. Expenses of \$4,427.00. Rep. Hammond moved, seconded by Rep. Gelt. Voted. Total voted \$6,200.00

7. County Attorney \$5,301.29

This item was moved by Rep. Dame, seconded by Rep. Cummings. Motion carried.

8. Register of Deeds Expense \$122,198.38

Ms. Holland was invited to explain the budget of this department. Because she based her original budget at a salary raise by calendar year, Rep. Dame moved that the salaries paid by the Register of Deeds for clerks become effective, March 1, 1972 after the County Convention so votes on February 28, 1972. Rep. Gelt seconded. Motion carried. Rep. Hammond moved, seconded by Connors \$122,198.38 be accepted as item cost. Motion carried.

9. Register of Probate \$25,608.98

Register Howard was invited to explain his budget. Rep. Dame moved, seconded by Rep. Stimmell that this amount be accepted. Motion carried.

10. Probate Court Expense \$2,000.00

Rep. Maynard moved, seconded by Rep. Hammond that this item be deleted. Motion carried.

Judge Treat came to explain the item.

Rep. Goodrich moved reconsideration. Rep. Palmer seconded, Motion lost.

11. Office Supplies \$3,900.00

Commissioner Hall and Ms. Walker explained this item. Rep. Hammond moved, seconded by Rep. Adams passage of this item as printed. Motion carried.

CARE AND SUPPORT OF:

12. Exeter Court House \$94,021.66

Director of Public Works Wuerker was invited to explain the breakdown of the Court House Budget. He said the items were listed in decreasing order of necessity. However some had already

been acquired out of need. The trial window to control condensation was voted to be included in the budget and about a thousand was decreased from the total with the order of priority left up to Mr. Wuerker. Rep. Adams moved the printed figure, Rep. Hammond seconded the motion. Motion carried.

13. Superior Court \$175,000.00

Clerk of the Court, Samaha was invited to explain the budgeted figure for the Superior Court. He apologized for not being present February 12, 1972 at the public hearing. A previous appointment prevented his attendance. Rep. Goodrich moved the budgeted amount. Rep. Connors seconded the motion. Motion carried.

14. Sheriff's Department \$123,227.08

Sheriff Sampson was invited to the meeting to explain his budget, the special and the jail budget. He explained the new accounting machine needing for recording fees. There was discussion as to whether this machine could be adapted to update the county bookkeeping system. He said our jail was now the cleanest in the state. He and a deputy have been in charge since September. He spoke about the need for special treatment for the drug addict prisoners. He asked for money to be ear-marked as matching funds that can contribute so much. He said that "in kind donations" have largely been replaced for money. He said that he would consider the proposal to act as jail superintendent on a quarterly basis.

Rep. Dame moved, seconded by Rep. Stimmell that the item be adopted as printed above. Motion carried.

15. Jail \$117,853.81

Item moved by Rep. Connors, seconded by Rep. Adams. Voted.

16. County Home & Hospital \$1,604,587.57

Administrator and Ms. Hilton were invited to explain the detailed budget proposal of the county home. There was much discussion about the feasibility of ending the farm operations, the impact this would make on the operational costs of the home. Mrs. Hilton now serves as Business Administrator. Mr. Hilton

spoke in appreciation of the commissioners who have recognized the efforts that they, the Hiltons have made as a couple to make the county home and hospital an institution that the county could be proud of. Mr. Wuerker detailed the operation of the plant. He said that his budget had already been reduced substantially. Further, he added that recently with the proposed addition under study some repair had gone unattended while the location of the addition was under consideration. Rep. Palmer wished to go on record as opposing the budget for plant operation. Mr. Hilton spoke to the need of keeping the plant operating with as few breakdowns as possible because these affect patient comfort. He appreciates the leadership of Mr. Wuerker as public works director in assuming responsibility for the operation of the plant difficult as the task might be.

Because of the concern expressed over the elimination of the farm operation and question of the land use and the barns, both budgets were moved by Rep. Hammond, seconded by Rep. Dame, and voted by the committee. One budget of \$1,604,587.57 represents the budget with the farm operation included and the second budget of \$1,582,609.45 is with the farm operation eliminated. On February 28, the full delegation can determine which budget should prevail.

17. Old Age Assistance	\$270,000.00
Item moved by Rep. Gelt, seconded by Rep. Connors, as printed. Motion carried.	
18. Board & Care of Children	\$130,000.00
Item moved by Rep. Connors, seconded by Rep. Cummings as printed. Motion carried.	
19. Direct Relief	\$65,000.00
Item moved by Rep. Hammond, seconded by Rep. Dame, as printed. Motion carried.	
20. County Clerical	\$35,136.50
Item moved by Rep. Gelt, seconded by Rep. Adams as printed. Motion carried.	
21. Interest on Temporary Loans	\$39,310.00
22. Interest on Bonds & Notes	\$68,350.00

23. Payment on Bonds & Notes \$80,000.00
These three items moved by Rep. Dame, seconded by Rep. Adams as printed. Motion carried.

24. Cooperative Extension Service \$62,498.00
Item moved by Rep. Hammond, seconded by Rep. Connors as printed. Motion carried. Recorded in opposition: Rep. Maynard, Rep. Cummings.

25. Delegation Expense \$2,500.00
Item moved by Rep. Connors, seconded by Rep. Stimmell as printed. Motion carried.

BUDGET

SALARIES:

1. Commissioners (3) \$15,000.00

This item was moved by Rep. Gay, seconded by Rep. Gelt.
Voted.

2. Treasurer & Deputy \$1,700.00

Item 2 moved by Rep. Read, seconded by Rep. Greenwood.
Voted.

3. Attorney \$10,000.00

Rep. Leavitt stated that because of the increase in workload
Attorney Eldredge had requested this increase.

Rep. Greenwood, seconded by Rep. Page, moved the item.
Voted.

4. Auditors \$750.00

Rep. M. Griffin moved this figure; Rep. Junkins seconded.
Voted.

5. Sheriff \$12,000.00

Rep. MacGregor moved the item. Rep. Goodrich seconded.
Motion carried.

6. Register of Deeds \$11,000.00

Item moved by Rep. Eastman, seconded by Rep. Hammond.
Voted.

EXPENSES OF:

7. County Officers \$6,200.00

Rep. Benton rose to explain a plan to save the county \$200.00,
this to be accomplished by submitting vouchers of telephone calls
made from resident private telephones. Suggestion to be made at
the introduction of "item 12".

Rep. Chandler addressed the convention in regard to the many
errors contained in the current "small county book". Rep.
Casassa called for an explanation of the \$4,427.00. Commissioner
Hall explained the item. Rep. Read moved, seconded by Rep.
Connors the figure - \$6,200.00. Motion carried.

7-1. County Attorney \$5,301.29

Rep. Junkins moved the item. Rep. Gay seconded the motion.
Rep. Chandler inquired as to the comparable 1971 amount. He
was informed that this was a fresh breakdown in the budget.

Previously this item was buried in several lines of the budget.
Motion carried.

8. Register of Deeds Expense \$122,198.38

Rep. Hammond moved the item, seconded by Rep. Page.
Voted.

9. Register of Probate \$25,608.98

10. Probate Court Expense \$2,000.00

This item had been deleted by the Executive Committee. The item appeared as "O" in the Executive Committee Recommendation. Rep. Dame requested to speak regarding this deletion. He said precedent had been established to give the Judge of Probate the discretionary fund through the years. He listed items that had been submitted to him by the Judge as expenses. Rep. Dame moved to restore the amount of \$2,000.00 in the budget for the discretionary use of the Judge of Probate. Rep. Palmer rose to speak that she had been opposed to the deletion of the fund from the budget. Rep. Lockhart spoke in favor of the motion to restore the discretionary fund. Rep. Cummings spoke against the motion to restore this fund. Rep. Sayer seconded the motion of Rep. Dame to restore the item to the budget. Register Howard was called upon to speak. He said the items submitted to several representatives offered no evidence of duplication to his budget. It was noted the travel to conventions could be of value to all the departments for enrichment. Rep. Maynard spoke against the Dame motion. Rep. Scamman and Rep. White spoke in favor of the motion. Rep. Collishaw spoke against the motion. Rep. White called for debate to be limited. Rep. Varrill seconded the motion.
Voted. The Yeas and Nays were called for.

Question: to appropriate the sum of \$2,000.00 for the expense
of the Probate Court.

Motion carried with 28 having voted in the affirmative and 14 in the negative. Restored to the budget \$2,000.00

11. Office Supplies \$3,900.00

Discussion ensued regarding the various catagories this item represented. Item moved by Rep. Read, seconded by Rep. Cunningham. Motion carried.

CARE & SUPPORT OF:

12. Exeter Court House \$95,021.66

Rep. Benton explained his proposal again. Rep. Greenwood spoke in favor of the current policy mentioning the evening calls necessary because many selectmen have only evenings to carry out much of their work for their community. Rep. Lockhart questioned whether \$200.00 could actually be saved with the extra paper work. Rep. R. Griffin asked how many private phones were included in the county telephone costs. The answer was five. Rep. Benton moved that \$200.00 be removed from budgeted telephone costs of \$19,000.00. Rep. Scamman seconded the motion. Motion lost. Rep. Hammond moved the budgeted item of \$95,021.66. Rep. Cummings seconded. Discussion ensued. Motion carried.

13. Superior Court \$175,000.00

Mr. Samaha was invited to speak regarding the court costs. Rep. Lockhart moved \$175,000.00 be appropriated for the expenses of the Superior Court. Rep. M. Griffin seconded the motion. Motion carried.

14. Sheriff's Department \$163,227.08

Sheriff Sampson was invited to explain the new policy of Deputy Sheriffs being placed on salary with fees going to the county. Discussion followed. Rep. Hammond moved the item. Rep. Gay seconded the motion. At last after many questions Rep. Junkins moved the previous question. Rep. Cunningham seconded. Rep. Boucher moved to amend the motion by reducing the

number of Deputy Sheriffs to 4 and reducing the amount set for salaries by \$50,000.00. Rep. Levy seconded the motion. Motion failed. \$163,227.08 voted as budgeted amount. Rep. Boucher requested to be recorded as opposed.

Rep. Leavitt recessed the meeting at 12:20 until 2:20 P.M.

Rep. Leavitt called the meeting to order at 2:20 P.M.

Rep. Goodrich requested permission to read a mandate and a resolution for full convention consideration.

"The Commissioners are hereby authorized and instructed to have the County Attorney take whatever action is necessary to prohibit the Highway Department from making a toll road out of presently free roads. They are instructed to call the Delegation into special session if more money is needed for this purpose."

This authorization and instruction was moved by Rep. Greenwood and seconded by Rep. Gay. Motion carried. Voiced approval unanimous.

"Whereas the State of New Hampshire proposes to make a toll road out of the present route 101 in Rockingham County, and whereas Highway officials have publically testified that this is only practical if the Federal Bureau of Roads allows the State of New Hampshire to buy back its interest in portions of this road. Be it resolved by this Delegation, the Legislative body of Rockingham County, that we request the Federal Bureau of Roads to refuse any request of the State of New Hampshire to acquire full rights to this road in order to make it a toll road. Be it further resolved that a copy of this resolution be sent to each of the New Hampshire Representatives in the United States Senate and House of Representatives with a request that it be transmitted to the proper Federal authorities that it be further resolved that this body solicit the aid of our Federal Representatives to the Congress in receiving favorable consideration for this request.

This resolution was moved by Rep. Greenwood, seconded by Rep. Read. Motion carried.

15. Jail \$117,853.81

Rep. Soule offered for consideration the removal of \$1,700. for tobacco. It was lifted up that \$2,942. was spent previously and that some amount should remain for reward for services performed. There was discussion for the need of personnel who plan a career in this type of work. Rep. Scamman moved the proposed amount of \$117,853.81. Rep. Spollet seconded the motion. Motion carried.

16. County Home \$1,604,587.57

This item caused much discussion. The Executive Committee had adopted two proposals for this item one including the farm operation and one excluding it. Commissioner Driscoll stated that the County Home budget barely represented a 2% increase over the previous year. The whole issue of the farm — the method of operation, the continued deficit reflected in the method of accounting, future use of land and farm buildings, were discussed. Rep. Hammond moved \$1,604,587.57 as the appropriation for the County Home & Hospital including the continuation of the farm operation. Rep. Greenwood seconded the motion. Rep. Benton spoke to the need of a committee to make a full study of the farm operation over a four season cycle operation. He felt this should be an amendment to the Hammond motion. Rep. Maynard called for a roll call of the item.

Question: In favor of keeping the farm operation.

YEAS: Benton, Boucher, Casassa, Chandler, Dame, Collishaw, Cummings, Eastman, Fiske, Gay, Gelt, Goodrich, Greenwood, Griffin (M), Griffin (R), Hammond, Jameson, Junkins, Lockhart, Lovell, MacGregor, Morrison, Page, Palfrey, Quirk, Read, Scamman, Soule, Spollett, Varrill, Vey, Wilson. (32).

NAYS: Connors, Greene, Maynard, Palmer, Stimmell, O'Keefe. Rep. Maynard recorded as in opposition. (6).

Because several Representatives desired to explain their vote. Rep. Casassa moved reconsideration. Rep. Dame seconded. Motion to reconsider carried. The discussion moved into the area of plant operation. Rep. Palmer expressed dismay at the "awful lot of money for one year".

Mr. Wuerker explained the budget and needs of the plant some

of which had not been carried on recently due to the planned addition to the home.

Rep. Chandler moved that the following be an amendment to the item — County Home. That the farm study committee be composed of 5 members to be appointed by the chairman of the delegation; 3 members of the delegation, 1 of the commissioners and a member of the general public but knowledgeable and practicing in the field of agriculture. Also that the committee is empowered to seek the assistance of the Agricultural Extension Service of the University of N. H. Committee members shall be entitled to per diem and mileage. Rep. Benton felt a person knowledgeable in accounting was equally important. Rep. Soule seconded the Chandler amendment. Rep. Maynard urged that the amendment not be supported that Convention chairman could confidently be expected to appoint a committee of such calibre that mandating the selection of it was unnecessary. Chandler amendment fails. Item 16 is voted affirmatively and Rep. Casassa directed to appoint a committee to study in depth the operation of the farm and report for decision before the end of 1972 in order that definite action could be made affecting the 1973 budget.

Rep. Maynard recorded in opposition.

17. Old Age Assistance \$270,000.00

Item moved by Rep. Gay, seconded by Rep. Junkins. Motion voted.

18. Board & Care of Children \$130,000.00

19. Direct Relief \$65,000.00

21. Interest on Temporary Loans \$39,310.00

22. Interest on Bonds & Notes \$68,350.00

23. Payment on Bonds & Notes \$80,000.00

Rep. Junkins moved that items 18, 19, 21, 22, 23 be adopted. Rep. Greenwood seconded the motion. Motion carried.

20. County Clerical \$31,136.00

Commissioner Hall requested that the budgeted item of

\$35,136.00 be reduced by \$4,000.00 to read \$31,136.00. Rep. Gay moved, seconded by Rep. Junkins that item 20 be adopted as \$31,136.00. Motion carried.

24. Cooperative Extension Service \$58,498.00

Item moved by Rep. Hammond, seconded by Rep. Greenwood. Rep. Boucher spoke in favor of the service afforded the county by the county forester. Rep. Greenwood spoke in favor of the county forester. Much discussion ensued. Rep. Junkins moved the previous question. Seconded. Item adopted.

25. Delegation Expense \$2,500.00

26. Employee's Ret. & Soc. Sec. \$10,095.39

27. Publishing County Report \$1,000.00

Rep. Scamman moved that items 25, 26, 27 be adopted as printed. Rep. Junkins seconded the motion. Motion carried.

28. Insurance \$19,491.00

Commissioner Hall explained the item. Rep. Scamman moved the item. Rep. Benton seconded. Voted.

29. Medical Referee \$10,000.00

Item moved by Rep. Dame, seconded by Rep. Read. Approved.

30. Surplus Commodities \$5,000.00

Item moved by Rep. Chandler, seconded by Rep. Scamman. Approved.

SPECIALS:

1. Fire Training \$1,500.00

Item moved by Rep. Greenwood, seconded by Rep. Quirk. So voted.

2. Rockingham Conservation District \$2,000.00

Moved by Rep. Dame, seconded by Rep. Read. Approved.

3. Furnishings Reg. Deeds \$4,823.00

Item moved by Rep. MacGregor, seconded by Rep. Greenwood. Approved.

4. Community Action Program \$5,000.00

This item had no appropriation recommended by the Executive Committee. A budget request of \$15,000.00 had been submitted by the Program. Mr. Rice was invited to explain what had been accomplished by the \$5,000.00 Rockingham County, the only county in the state appropriating money to help people improve the circumstances of their lives in this fashion. Rep. Gay, seconded by Rep. Soule moved that the Executive Committee recommendation of "O" appropriation be accepted.

Much discussion followed. Rep. Lockhart and Rep. Chandler spoke against the motion. Rep. Casassa moved an amendment to the Gay motion to restore \$2,500.00 to the Program. Rep. Jameson spoke in opposition of the \$2,500.00 and urged that the amount of \$5,000.00 which was the previous appropriation be accepted. Rep. Page moved, seconded by Rep. Eastman that the Gay amendment be amended to \$5,000.00. Motion carried.

5. Carpeting – Register of Probate \$2,400.00

Item moved by Rep. Scamman. Seconded by Rep. Cunningham. Motion carried.

6. County Home Specials \$39,832.00

Commissioner Hall and Mr. Wuerker explained the items included in this request.

Rep. Cunningham moved the amount \$39,832.00. Rep. Read seconded the motion. Approved.

7. Crime Commission \$25,000.00

Sheriff Sampson explained the request. Rep. Maynard urged that the item be earmarked that the Executive Committee be informed of use of the amount. Sheriff Sampson explained the federal matching funds that had been secured in the past.

Rep. Cunningham moved the item. Rep. Dame seconded. Approved.

8. Extension Service Air Conditioning \$5,000.00

Rep. Greene moved the item, seconded by Rep. Benton. Voted.

Rep. Hammond, seconded by Rep. MacGregor moved the total

budget of: \$3,247,284.16. So voted by the 32 delegation members present.

ESTIMATED INCOME:

County Home	\$831,739.75
Register of Deeds	134,303.19
Probation Rent	2,500.00
Board & Care of Children	12,000.00
Sheriff's Department	60,500.00
Net Budget Deficit	(-35,253.29)
	<hr/>
	\$1,005,789.65

AMOUNT NECESSARY TO BE RAISED BY COUNTY TAX:
\$2,241,494.51. This was moved by Rep. Scamman and seconded by Rep. Connors.

Rep. Cunningham suggested that next year the budget be presented in a four column manner showing previous year appropriation and expenditures in addition to the Executive Committee recommendation and proposed budget.

At this time Rep. Chandler read the following amendment which was seconded by Rep. Boucher: "whereas, the towns and cities of Rockingham County are beleagured by financial problems already,

and whereas the proposed amount necessary to be raised by taxes to be more than 42%,

and whereas the individual items as approved may all be necessary and proper, it is the opinion of the delegation that the burden thus imposed would be excessive.

Therefore, the amount necessary to be raised by taxes be reduced by \$110,000.00 approximately 5% and that the budget reductions to be made by the Executive Committee."

Not approved.

Meeting adjourned at 4:40 P.M.

Marguerite B. Fiske, Clerk

Rockingham County
Executive Committee
To review first quarter
Cumulative Report

Brentwood, N. H.
County Home
April 24, 1972
10:30 A.M.

Present:

Representatives: Adams, Casassa, Collishaw, Connors, Fiske, Gelt, Goodrich, Hammond, Leavitt, Maynard, Page, Stimmell.

Commissioners: Hall, Driscoll, Tufts.

County Head Bookkeeper: Mrs. Walker.

Rep. Casassa, chairman of the County Delegation called the meeting to order at the above stated time and place for the purpose of reviewing the cumulative report of the first quarter ending March 31, 1972. He requested the clerk to call the roll. The above listed representatives answered the call. Thereupon, the meeting was turned over to Rep. Leavitt, chairman of the budget committee.

Rep. Leavitt conducted a line by line examination of the report. In general the appropriations appeared to be realistic to the needs of the county operation. The report did indicate that Office Supplies and Postage; Medical Referee; and Superior Court costs may prove inadequate to the burdens imposed upon these budgeted line items.

Rep. Adams reported for the sub-committee assigned to investigate the telephone costs of the Court House, as usual, provided a fine report. One suggestion to afford better control of toll calls which would charge the heads of the various departments with the responsibility to utilize the type of form already in use at the county home that spells out the toll call sender and originator, etc. was adopted. The motion was made by Rep. Hammond and seconded by Rep. Goodrich and unanimously accepted.

Rep. Collishaw reported that Sheriff Sampson is pleased with the manner that the Sheriff's Department is moving under its new policy of salaried sheriffs.

Commissioner Driscoll and Commissioner Hall reported on the jail and equipment that may be available because of the

appropriation earmarked for the purpose of receiving federal funds. Rep. Adams moved, seconded by Rep. Maynard that the Commissioners be granted the authority to use whatever is necessary to meet the Crime Commissioners matching funds. Motion carried. It was reported how well the close circuit T.V. was working in the jail.

Commissioner Hall reported that all specials of the budget had been put out for bid and that it was anticipated savings could be realized by Mr. Wuerker and his staff doing the work. Already savings were accomplished with the new snow plowing procedure.

The value of sub-committees is not truly recognized. The farm committee reported Commissioner Tufts is already deeply involved in researching the farming effort for the past five years. In conjunction with the sub-committee work Commissioner Driscoll brought to the attention of the Executive Committee the idea of a sub-committee to study the items 1-6 of the budget — SALARIES which are now set by convention. It was agreed that the recommendations could be a definite help to the newly elected Executive Committee which the 1973 Convention will be electing. Rep. Adams moved that Rep. Casassa appoint a sub-committee for this purpose. Rep. Hammond questioned if three would be enough. Amid laughter Rep. Adams amended her motion to specify five. Rep. Maynard seconded the motion. Rep. Casassa said he would not forget to include a Democrat. Motion carried.

The meeting adjourned at 12:00 A.M. Following the dinner several members inspected the jail.

Medical Referee Dilemma

Exeter, N. H.

• May 19, 1972
10:30 A.M.

Present:

Representatives: Adams, Casassa, Connors, Cummings, Dame, Fiske, Goodrich, Greenwood, Leavitt, Maynard, Page, Stimmell
Commissioners: Hall, Driscoll, Tufts.

The Press.

Rep. Casassa, Chairman of the Rockingham County Delegation, opened the meeting by requesting the clerk to call the roll. The above listed Representatives answered the roll. Rep. Casassa stated the purpose of the meeting to consider the serious problem of the Medical Referee. Chairman Casassa, thereupon, turned the meeting over to Rep. Leavitt, chairman of the Budget Committee.

The Executive Committee were given copies of the disbursements for the first five months of 1972 for the budget item - Medical Referee. \$8,356.80 has been expended of the budgeted \$10,000.00 thus leaving a balance of \$1,643.20. Commissioner Hall remarked that with the increase in population and the increase in unattended deaths in the county this item might well exceed \$20,000.00 before the year's end. In addition to finances another area needed to be discussed. Assistant Medical Referee Davis is also a Deputy Sheriff on salary. The two departments, the two jobs, the two salaries, all permissible created confusion. Both Mr. Davis and Sheriff Sampson were invited to answer questions and share in the debate as to proper solution of the problem. Both stated their keen desire to achieve amicable "firm footings." The Executive Committee was reminded that the assistant medical referee is appointed by Governor and Council and by statute is to receive not to exceed \$30.00 and mileage for viewing each unattended death in the county. Mr. Davis explained the other details involved in this over-and-above the initial "view" - records, insurance investigations, personal effects to mention only a few. Sheriff Sampson remarked on the difficult and unpleasant task of viewing these unattended deaths and of the reluctance of licensed practicing physicians to take on this

"on-call-24 hour-a-day-job". The practice of pre-signed medical forms was explained, the charge of funeral homes, it was noted that a substantial difference existed in the pre-signed medical forms charges. Many questions were asked during the two hour session. At length, Rep. Greenwood moved, seconded by Rep. Adams that \$3,000.00 additional salary be paid and also the fee as required until a better solution could be made. Voted. Discussion continued. Rep. Casassa moved reconsideration. Rep. Cummings seconded. Voted. Additional discussion followed. Rep. Greenwood, seconded by Rep. Goodrich that \$3,000.00 for Mr. Davis daytime salary and that after 5 P.M. the fee of \$30.00 be authorized for each "view".

Rep. Casassa moved a two part motion: (1) to get an opinion from either the State Attorney General or the County Attorney as to the legality of the added salary; (2) Is it permissible for the Assistant Medical Referee to sign death certificates. Seconded by Rep. Adams.

Rep. Greenwood spoke against the motion. Motion defeated. Following the defeat of the motion Rep. Adams moved, seconded by Rep. Page that the Rockingham County Attorney be questioned: Does statute 611:4-A empower the assistant medical referee to sign death certificates? Motion carried.

Commissioner Hall requested that the county commissioners be authorized to pay all bills of the Medical Referee up to July 1, 1972. Rep. Greenwood made the requested motion. Rep. Cummings seconded. Motion carried.

Meeting adjourned at 12:30 P.M.

Cumulative Quarterly Report

Brentwood, N. H.
County Home & Hospital
August 1, 1972
9:00 A.M.

Present:

Representatives: Casassa, Collishaw, Connors, Cummings, Dame, Fiske, Gelt, Goodrich, Greenwood, Hammond, Leavitt, Maynard, Page, Palmer, Stimmell.

Commissioners: Hall, Driscoll, Tufts.

Mrs. Walker, county head bookkeeper.

Members of the press.

Rep. Casassa, chairman of the delegation called the meeting to order at the above mentioned time and place. He requested that the clerk call the roll. The above listed members of the Executive Committee of the Rockingham County Delegation answered the call. Rep. Casassa stated the purpose of the meeting to examine the cumulative budget report and any other appropriate business. Thereupon he turned the meeting over to the budget chairman of the convention, Rep. Leavitt.

Rep. Leavitt conducted a line by line consideration of the report. The first item which had gone over a fifty percent expenditure was the item "Register of Probate". Rep. Greenwood asked about the 56%. Commissioner Driscoll said that is the way things happen but no doubt it will be o.k. at the years end. 79% of the budgeted item of office supplies and postage has been spent due to a lot of mailings.

Rep. Collishaw said that a federal inspector pronounced the condition of our jail "terrific".

Old age assistance is on the increase and is an item over which there can be no county control. 56% of the budgeted figure has been spent to date.

It was noted that a savings of \$1360.05 resulted from Mr. Wuerker having installed the Extension Service Special, the air conditioning.

Once again the executive committee was forced to recognize

the item of Medical Referee problem. A deficit of \$447.58 exists at mid-year. Considerable discussion ensued. Commissioner Hall requested that the clerk read the minutes of the last meeting. The meeting called to consider the problem of the Medical Referee had alerted the committee to the possibility of a \$10,000.00 deficit in that item. At that meeting the committee had authorized the commissioners pay all obligations of Medical Referee to July 1, 1972. Rep. Maynard moved, seconded by Rep. Connors that the commissioners be authorized to pay all bills incurred for the rest of the year. Motion carried.

Commissioner Driscoll told the committee that \$35,253.29 need not be raised by taxes as the county home accounts receivable of \$74,233.04 left an asset for last year of \$38,979.75.

Commissioner Hall requested that Rep. Casassa appoint a sub-committee to look into the feasibility of the county assuming the distribution of Surplus Food. Rep. Casassa appointed Rep. Dame to be the chairman with Rep. Goodrich and Rep. Greenwood as the other two members.

It was noted that ground-breaking ceremony would take place at 10:30 A.M. August 8, 1972 for the 100 bed addition. The low bidder for the addition was Maxam Company of Portsmouth.

Rep. Palmer resigned from the sub-committee for the County Home believing that it would serve the best purposes of the county and county home since she was not seeking re-election. Her resignation was accepted with regret. Rep. Goodrich was appointed to fill the vacancy with Rep. Greenwood to become chairman of the sub-committee.

Members of the general public.

"Disturbed by ever increasing deficits, \$46,185.00 in 1971, the Rockingham County delegation earlier this year authorized a committee to study the entire farming operation at Brentwood, determine the reason for the budget over-runs and make recommendations on the continuance of farming operations." -- taken from the report.

Rep. Casassa, chairman of the delegation opened the full delegation meeting that had been called for the purpose of hearing the report of the farm study committee. He requested that the clerk call the roll. The above listed representatives were found to be present as well as those also listed.

Thereupon Chairman Casassa called upon Rep. Chandler chairman of the farm study committee to make a report and answer questions. Prior to the meeting a fine report had been mailed to all appropriate persons. Augmenting this report Rep. Chandler said that the farm deficit was real and not a product of bookkeeping methods. He said that although help could be had for operating the farm the burden was at the county home kitchen level for processing the farm garden produce. A major question was should the County Home operate a farm.

After several monthly meetings with county officials and agricultural experts, the following five recommendations had evolved:

1. That the dairy herd operation be shut down.
2. That the dairy herd be sold as soon as possible. This was the reason for the special meeting that an auction be set immediately for best returns.
3. That the farm be converted into a meat production operation. A "feeder" type operation would cut down the need of an extensive labor force, would provide meat for the home, keep land and buildings in use, and could provide a more nearly break-even figure.
4. That the farm should not attempt to grow farm garden produce for home and hospital consumption.
5. That the proceeds from the sale of the dairy herd and the earlier sale of dairy cattle be used to establish a beef and sheep operation.

Although the county commissioners have the authority to sell and dispose personal property, they value the opinion and backing of the delegation. A lengthly question and answer period followed during which several motions were made, seconded, amended, withdrawn. This reflected the deep concern of the delegation. The area of greatest concern was the language lifting up a consideration of a sheep operation. Rep. Greenwood asked permission to speak on his experience with raising sheep. He spoke of the need for special fencing, sheep pens, birthing hazards. The need for further study of sheep operation was the consensus. It was agreed that the piggery should continue and that a program of feeding for home use only be considered for sheep.

Finally Rep. Greene suggested that a motion be made to accept the report and then a second motion be made to implement the report. Rep. Senter moved, seconded by Rep. Gay that the report be accepted. Motion carried unanimously.

Once again the process of motions made, seconded, withdrawn occurred. When agreement was reached, Rep. Levy moved,

seconded by Rep. Boucher to implement the report. Motion carried unanimously. Rep. Levy moved, seconded by Rep. Soule, that the proceeds of the sale of the herd be placed in an escrow account and that the commissioners be authorized to expend funds from this account for the purchase of a beef herd. Motion carried.

Rep. Levy urged that the delegation work toward the successful passage of the annual sessions amendment on the November ballot.

Rep. Maynard requested that Commissioner Hall inform the delegation about proposed legislation for the 1973 session.

A vote of appreciation and praise for the excellent report of the Farm Study Committee — Rep. Chandler, Rep. Cummings, Rep. Page, Rep. Scamman, and Mr. George Gowan closed the meeting.

Rep. Casassa, chairman of Rockingham Delegation called the Executive Committee to order at 10:30 A.M. at the above stated place. He stated the purpose of the meeting to be that of reviewing the cumulative report of the third quarter of the Rockingham County Budget. He requested that the clerk call the roll. The members of the Executive Committee answering the roll call are listed above.

In the absence of the budget chairman, Rep. Leavitt, Rep. Casassa presided over the budget meeting. A line by line examination of the report ensued.

SALARIES: The first six lines representing salaries were moved as a group. Rep. Maynard made the motion, seconded by Rep. Gelt. Motion carried.

EXPENSES OF: this category appeared to be in "good shape" except **Above Officers, except Sheriff.** This item revealed that 80% of the budgeted \$6200.00 had been expended. Commissioner Hall requested that authorization be granted for funds to enable Commissioner Driscoll and himself to attend an informational meeting in Washington relating to revenue sharing. Rockingham County will be eligible for about \$200,000.00 under this new plan. He spoke briefly about how it is anticipated this revenue sharing will work. He said he would request upon their return an executive committee meeting and a full delegation

meeting for recommendations of how best to utilize this fund. These meetings to be prior to the formulating the 1973 county budget. He said that this revenue sharing could not be used directly to lower taxes. Rep. Hammond moved the item and the authorization, seconded by Rep. Collishaw Motion carried.

Although 86% of the funds budgeted for OFFICE SUPPLIES had been spent, Ms. Walker when asked to comment responded that she felt that this item would remain within the amount appropriated. Rep. Cummings moved the item as printed, seconded by Rep. Page. So voted

Exeter Court House item was accepted after a detailed explanation. It was noted that Mr. Wuerker was responsible for considerable savings to the county. One instance was the \$1350.85 saving effected by his installing the Extension Service special. This saving was returned to the general budget. This item was moved by Rep. Page and seconded by Rep. Gelt.

The committee were informed about the three positions funded by the **Emergency Employment Act**. These federally funded positions are – bookkeeping, planning and social service. It was noted that the decline in direct relief could be attributed to the efforts of the assigned social worker. Rep. Dame moved this item. Rep. Page seconded the motion. Voted.

Once again the Executive Committee were warned that the item – **Superior Court** might well end the year in the red. Once again came the flurry of comment that would have this county burden be legislated to the general budget of the state. It was noted that appropriate legislation to this effect had already been filled. Rep. Hammond moved, seconded by Rep. Page, that this item be accepted as printed. Motion carried.

The item **Sheriff and Deputies Dept.** was accepted by the committee as printed. Rep. Maynard made the motion. Rep. Stimmell seconded.

The only two remaining items to cause budgeting problems were noted to be **Delegation Expenses** and **Medical Referee**. Commissioner Hall reported that a deficit of \$400.00 could be expected in the area of Delegation Expenses. He said further that

never had an executive committee ever been as fully informed as to the details of county government as the present committee. He spoke again to the value of the sub-committees. He praised their diligence and persistance. Rep. Hammond moved the item and Rep. Collishaw seconded the motion. Motion carried.

It is anticipated that the line Medical Referee could show a year's end deficit of \$20,000.00. It was noted that legislation is to be filed that if passed could substantially reduce the actual cost to the county of unattended deaths. Rep. Dame moved acceptance of the item as printed. Rep. Stimmell seconded. Motion carried.

Treasurer Lothrop was present to answer all questions having to do with bonds, interest and loans. These items were moved and seconded by Rep. Palmer and Rep. Goodrich respectively. The motions were accepted by the committee.

Commissioner Hall requested that authorization be granted to transfer funds within the departments within the limits of the appropriation. Rep. Dame moved this authorization. Rep. Page seconded. Motion carried. Thereupon Rep. Dame moved, seconded by Rep. Hammond that the Executive Committee accepted the cumulative report of the third quarter as printed. Motion carried.

Meeting declared adjourned at 12:40 P.M.

Rockingham County
Executive Committee
To hear report of a committee
on Revenue Sharing

Brentwood, N. H.
County Home
December 27, 1972
11:00 A.M.

Present:

Executive Committee:

Representatives: Adams, Collishaw, Connors, Cummings,
Dame, Fiske, Gelt, Hammond, Leavitt, Maynard, Page, Stimmell.

Commissioners: Hall, Tufts, Driscoll.

Commissioner-elect Southwick.

Treasurer Lothrop

Sheriff Sampson

Representative Cummings, vice-chairman of the delegation called the meeting to order in the absence of the chairman, Rep. Casassa. He requested that the clerk call the roll. The above listed Representatives answered the call. A quorum was declared present.

The meeting was thereupon turned over to the chairman of the Executive Committee, Rep. Leavitt who requested that Commissioner Hall announce the various purposes for which the meeting was called.

Commissioner Hall asked Treasurer Lothrop to explain the vote usually passed at this time of year: approval to be granted the Treasurer upon the order of the County Commissioners to borrow up to an amount that shall not exceed the amount necessary to be raised by the county tax for the coming year. The money in the treasury of the county being insufficient to meet the current demands upon same.

Following the explanation by Treasurer Lothrop, Rep. Gelt moved, seconded by Rep. Adams, that this permission be granted. The clerk read the motion in full. Motion carried unanimously.

Commissioner Hall then spoke about the committee appointed by Chairman Casassa to study the disposition of the funds received from revenue sharing. Rep. Page, Rep. Goodrich, Rep. Connors, the members appointed had met with the Commissioners three times. Rep. Page, chairman distributed the report. Rep.

Leavitt requested that Rep. Page read the report with discussion to take place at the end of the reading. A line by line consideration of the report followed:

1. Secretary to the Commissioners \$7,000 to \$8,000
Rep. Gelt moved the item. Rep. Stimmell seconded. Motion voted.
2. Bookkeeping Machine & Supplies \$28,500
Motion to accept made by Rep. Connors, seconded by Rep. Hammond. Motion carried.
3. Mimeograph & Scanner \$3,500
Motion to accept made by Rep. Gelt, seconded by Rep. Hammond. Motion carried.
4. Two Calculators \$1,200
The calculators were explained to be needed to assist in the bookkeeping process to determine per cent. Rep. Hammond moved acceptance. Rep. Connors seconded. Motion carried.
5. Six cars for the Sheriff's Dept. \$24,000
Sheriff Sampson was invited to explain the bid figures for the cars and the planned disposal of the six cars to be retired. Rep. Dame moved acceptance of the item. Rep. Connors seconded the motion. Voted.
6. Registry Photo Machine (Eastman Kodak) \$40,000
Rep. Gelt & Rep. Stimmell as well as Rep. Hammond spoke in favor of acquiring this piece of equipment. Appreciation was expressed by several of the excellence of the department and the revenue return that this department provides the county. Motion to accept the item was made by Rep. Gelt, seconded by Rep. Stimmell. Motion carried unanimously.
7. Storm windows for the Registry & Probate \$3,150
Rep. Cummings spoke approvingly regarding this item. He moved its acceptance. Rep. Maynard seconded. Motion voted.
8. Gasoline tank & pump - Justice Building \$4,000
Rep. Maynard spoke approvingly of this motion which would be a definite money saver. Rep. Dame spoke of the type of tank best suited. Rep. Cummings moved the item. Rep. Adams

seconded. Voted.

9. Parking area – Justice Building \$30,000

Commissioner Hall explained by diagram the plan the parking to accommodate a 100 additional cars. At the same time he noted the poor condition of the East driveway. General approval was voiced for both items. The item was moved by Rep. Adams, seconded by Rep. Gelt. Voted.

10. Resurface East driveway \$5,750

Item moved by Rep. Cummings, seconded by Rep. Collishaw. Item voted.

11. Typewriter for stenographer \$600

Item moved by Rep. Gelt, seconded by Rep. Stimhell. Voted.

12. Regrout & reseal the front of the Justice Building

Since no estimate was available at the time Rep. Dame moved that this item be postponed pending an estimate. Rep. Adams seconded the proposal to postpone. Motion to postpone voted.

Additionally the committee lifted up that a "Machine Department" might be useful and economical as well for the county. To have one area where many of the machines could be located and for use by all the departments on a pro-rated base. The need for further study was felt, either by this committee or another in the coming year.

Since these recommendations leave a substantial portion of the nearly \$500,000 to be received by the county in Revenue Sharing, the committee further recommended that the remainder should be banked in a separate account apart from the General Fund with further study as how best to utilize the fund. Commissioner Hall urged that an appropriate revision of the report be sent to the new delegation for consideration at its first meeting the second Wednesday in January. Rep. Dame moved the proposal, Rep. Adams seconded the motion. Motion carried.

Rep. Hammond spoke briefly regarding the seven bills filed on behalf of the study committee on "Salaries" and urged support for them to be enlisted.

Commissioner Driscoll mentioned the need of another bill to

be entered to include Rockingham in an existing statute whereby only voted minutes of certain meetings would be printed in the Annual Report of the County rather than all as now required. This would save considerable money for the county in the printing cost of the Annual Report.

Commissioner Hall commended the Executive Committee for its dedication to purpose. He complimented the committee for its hard work and willingness to become involved.

Meeting declared adjourned at 12:40 P.M.

Marguerite B. Fiske, *Clerk*

COMMISSIONERS REPORT

In accordance with the provisions of RSA 30:4 the Annual Report of the Rockingham County Board of Commissioners is hereby submitted:

1972 saw the major attention directed toward the County Home and Farm. With final clearance on the litigation from the Superior and Supreme Courts, Construction of the new 100 bed addition to the Home began in earnest. The general contract for the addition was awarded to The Maxam Company of Portsmouth. Ground was officially broken in September.

The work started in 1971 on the boilers, laundry equipment, laundry and boiler room addition was completed during the year. In addition the major portion of the work on the new well was completed during 1972.

Relative to the farming operation and the dairy herd, these two areas of operation were phased out and replaced with a beef program after a lengthy study. This program will supplement the existing and on-going pork production program.

The Commissioners accepted with regret the resignation of the County Home physician, Dr. Hermann N. Sander, and at the same time acknowledged with appreciation his dedicated service. Dr. Charles DeLucia was named by the Commissioners to succeed Dr. Sander.

Again we would like to avail ourselves of this opportunity to express our appreciation to all County officials, Representatives and personnel who have given of themselves and of their time to advance the operations and services of the government of Rockingham County. As on the occasion of the 1971 Report we extend an invitation to the citizenry of Rockingham County to not only visit with us at our twice-a-week meetings but also to visit the County Home and the Rockingham Administration and Justice Building.

Respectfully submitted,
Russell J. Hall, Chairman
John C. Driscoll, Clerk
Arthur Tufts
Board of Rockingham County Commissioners

FOREWARD

A cost analysis has been performed on behalf of the Rockingham County Home. We have used similar procedures as were utilized in preceding periods of study in order to maintain continuing comparability. The results as expressed may be compared, with reasonable confidence, to the operating results of other institutions that utilize cost finding techniques recommended by the American Hospital Association.

The administrative staff has worked diligently to provide me

with operating results adjusted to reflect reasonable accruals for purposes of this analysis. Their assistance has been greatly appreciated.

DISCLAIMER

This project has not included an examination of the financial records of the institution, nor has it included those procedures recommended under generally accepted auditing standards which would enable us to express an opinion; accordingly we express no opinion relative to the County records.

Respectfully submitted,
Duane L. Keeler

SCOPE

All statistical and financial data utilized throughout this study covers the period of October 1, 1971 through September 20, 1972. In general, we have utilized cost principles consistent with those employed by member hospitals of the American Hospital Association.

The data has not been adjusted to conform with any specific reimbursable cost program related to any specific agency, since all such programs have significant variations in allowable cost elements. The results are appropriate, however, for the use of comparison with prior periods and for comparison with the published data of institutions that are members of the American Hospital Association.

This report is based on an assumed accrual of incomes and expenses and is therefore not appropriate for the reader to attempt a reconciliation to the County Budget which is developed and presented on the basis of cash flow.

A condensed analysis of the incomes and expenses of the operation of the Farm is again presented so as to provide continuing comparative data.

MANAGEMENT REVIEW

EXHIBIT A FUNCTIONAL DEPARTMENT COST DETAIL

This exhibit presents all salary and supply cost in an array consistent with the expense accumulation mandated by the utilization of the standard Chart of Accounts of the American Hospital Association. We have undertaken no audit of these amounts; since this presentation is for the primary purpose of serving as comparative data, a specific audit was not determined necessary.

The ratio of salary to total cost is computed to be 75.2% as compared to the experience of a year ago of 74.8%. We would

note that such a ratio represents a reasonable expectation and that the change, which is slightly upward, was also predictable in light of the Phase II program which allowed for a steeper rise in salary expense than in other costs.

EXHIBIT B INCOME AND EXPENSE SUMMARY

The ratio of billed charges to cost continues to improve each year and, while the improvement of this ratio this year has not been as marked as in prior years, it is none the less laudable, especially in view of the impact of Phase II of the Price Stabilization Program.

Recommendation:

We recommend that all prices be adjusted to reflect the maximum allowable under the Economic Stabilization Program. Such an action is necessary in order that costs do not again outstrip the published charge structure of the institution. We predict that Phase II will soon overtake a Phase III of Economic Stabilization Program and that the continuing constraints on pricing will require such periodic adjustments rather than allowing for large adjustments less frequently.

EXHIBIT C ANALYSIS OF INCOME AND ALLOWANCES

This exhibit sets forth by schedule the amounts that each of the responsible governmental agencies failed to pay the published charges of the institution. The analysis identifies such discounts by each of the major divisions within the hospital, Mitchell, Fernald, and Underhill, and thereby serves as a graphic demonstration of the utilization of each of these facilities by each of the respective agencies. The inadequacy of the DPW payments has evolved to the point that it would appear imperative that the Commissioners and Administration enter into discussions and/or negotiations with the State in order to seek appropriate relief.

EXHIBIT D ANALYSIS OF GROSS PRICING DEFICIENCY

The data as presented on this exhibit should serve as a guide to the relative changes necessary to price each service on a self-sustaining basis.

EXHIBIT E ROUTINE COST PER DIEM

The routine cost per diem has increased in the twelve month period only 62c, or 4%. In the opinion of this writer, such an increase represents an outstanding accomplishment on the part of the administration of the institution. I submit that few, if any, other institutions of which I have knowledge will prove to have demonstrated such a commendable level of cost containment during a like period. While final figures for other institutions are not yet available, it is projected that the general experience will more nearly approach 10%.

We realize that nursing service costs are markedly lower than is necessary in the more acute facilities, however, we suggest that the other variations in departmental cost are indications of a conscientious attention to cost factors and economics of operation throughout the institution.

EXHIBIT F COMPARATIVE STATEMENT OF INCOME AND EXPENSE

The figures presented on this exhibit are a summary of the income and expense by hospital unit presented on a comparative basis for the past five periods.

EXHIBIT G COMPARISON OF INCOME AND ALLOWANCES

This exhibit provides a comparison of the gross income and the allowances for the past five periods. As previously pointed out,

financial problems are rapidly being compounded by inadequate reimbursement.

EXHIBIT H
COMPARISON OF UNIT COSTS

This exhibit shows the direct cost, before cost analysis, of various departments as compared with New Hampshire hospitals.

ROCKINGHAM COUNTY FARM AND JAIL

V EXHIBITS

The exhibits and schedules related to the Farm and Jail are presented as a reconciliation of those expenses jointly shared by the institution as a whole.

The results set forth in the analysis pertaining to the Jail are totally unreliable for any purposes other than reconciling costs relating to the Jail that are borne by the institution as an integral part of the total operation and that have been charged to the institution through the budget appropriation.

The data pertaining to the Farm operation are somewhat more reliable. They were not, however, developed through the utilization of statistics specifically gathered for the purpose of a detailed Farm analysis. The costs as presented are an accumulation of costs necessarily excluded from the hospital operation on the basis of standard American Hospital Association allocations. It is to be expected that a specific cost analysis of the Farm would develop some variations to the presentation.

**ANNUAL REPORT OF THE
DIRECTOR OF SPIRITUAL ACTIVITY
FOR 1972**

Each year acceptance of the program of Spiritual Activity begun at the Rockingham County Home under the auspices of Mr. George W. Hilton, the Administrator, has increased. Beginning with a very good response from the residents of the Home, it was next made a part of the program in several churches and this year has developed into a number of activities in the Home not directly related to the Sunday services but resulting from the interest aroused in individual members of various churches of Rockingham County as a consequence of their introduction to the needs and opportunities for service by their participation in the Sunday services. There has been increased help from the clergy of the County in extra Communion services and special programs; for example, a special Good Friday service last year in which clergy of near-by towns took part and which was organized by them. Groups from churches have visited the residents and provided entertainment for them. Details of arrangements for such visits are handled by the Department of Occupational Therapy. This Department also arranges a Bible Class, led by Mr. Byron Walker, which meets weekly and has been a satisfaction to the residents.

We have held fifty regular services on Sunday during the past year. The service on the Sunday after Labor Day has always been omitted and this year illness and bad driving conditions caused the omission of the last Sunday service in the year. Clergy from thirty-eight churches of the County have given of their time to conduct or speak at these services and I would like to thank them for their help. I would also like to express appreciation to the County Commissioners and the Administrator for their continued support and interest in this program. We are all looking forward to the construction of the new chapel with increasing ways in which the enrichment of the Spiritual life of the residents can be accomplished.

Respectfully submitted,
Robert H. Lewis
Director of Spiritual Activity

January 12, 1973

To the Honorable Board of Commissioners of Rockingham County

The year 1972 was rewarding and productive, and a year of continuing progress in the Registry of Deeds. I feel that the co-operation and support of the Board of Commissioners and the County Delegation enabled us to operate economically and efficiently.

The receipts from this department, turned over to the County Treasurer monthly, totaled \$150,145.14 which represents an increase of \$15,841.95 over 1971 receipts. This would indicate a continued, rapid growth in the 37 communities of Rockingham County. Further evidence of this growth is shown by comparing the 28,161 instruments recorded in 1972 with the 24,769 instruments recorded in 1971.

Research into methods of improved economical management of the Registry of Deeds was stepped up in 1972. My decision to do all the permanent recording by microfilm was made after extensive study and consultation with other registers in the country who have been on a similar system for several years. The change was hastened by the need for more space and a more economical way of recording.

The office is open weekdays 8:00 — 4:30, and the Register and her staff are always available to assist the public.

Respectfully submitted,
Edith E. Holland

COUNTY ATTORNEY'S REPORT

The annual workload of the County Attorney dictates with some urgency that the present parttime office at \$10,000.00 annually be studied for reorganization with (a) a full-time county attorney at a fair salary, (b) an additional lawyer in the office and (c) realistic clerical staffing for the office. At present with one part-time lawyer and a stenographer allowance insufficient to engage one full-time secretary the office facilities are inadequate for the county, which annually receives countless hours of free, voluntary services to maintain the present standards and quality of service.

By any fair appraisal of the duties presently performed by the county attorney, the position is more than full-time. By any fair appraisal the present \$10,000.00 salary is compensation for a very part-time county attorney.

GOALS OF REORGANIZING

Consideration of altering the part-time status and compensation of the office of the Rockingham County Attorney must commence with a determination of objectives. The county attorney, as chief prosecutor, is the most powerful figure in the criminal justice system. He decides who will be prosecuted and for what offenses, and who will not. This one function alone makes him prey to corrupting pressures and influences. He sets the pace and atmosphere in the law enforcement efforts and activities of the community. In these times he should lead, not mark time. He should lead the police, the courts and the community toward understanding, participation and appreciation of law enforcement needs, goals and programs. Anything less deprives the community of a meaningful law enforcement program and creates a law enforcement vacuum which will immediately be filled by criminals, their lawyers, probation departments and the court. Law enforcement represents an endless struggle not just with criminals but in recent times with those who subvert enforcement of the law by blocking the

imposition of penalties for infractions of the felony laws. Reversal of the current wave of criminal activity dictates the need for constant, serious, professional attention of the prosecutor to these problems.

Rockingham County is for practical purposes a big business requiring, with its law enforcement function, the full-time services of its attorney on a twenty-four hour a day basis. Also, from a practical standpoint, the services of the county attorney have an inestimable impact on public safety and the quality of community life.

These important functions preclude any other goal for the county than the acquisition of the most able legal representation for the county with a high priority for constituting the office to minimize corrupting influences and pressures on its occupant. Incorruptible excellence must transcend other considerations.

NEED FOR MORE THAN ONE ATTORNEY

The law enforcement needs of this large, fast growing county cannot be fully and competently met by a single attorney. In our district courts police prosecutors are daily pitted against defense lawyers for whom a policeman is not, in many instances, an effective courtroom adversary. Only rarely can the county attorney attend district court.

Recent court decisions requiring speedy trials coupled with the increase in the case load mean continuing increases in the pressure on the county attorney's office. To the extent it can be stated mathematically, the greater the work pressure the lower the work quality. One man cannot with anything close to his maximum efficiency meet the demands of our present criminal trial work load.

COUNTY ATTORNEY SHOULD BE EXPERIENCED TRIAL LAWYER

Naturally the problems and the pressures are magnified if that one county attorney is a novice lawyer learning his trade and

building a private practice at the same time. There is more to the prosecution of criminal cases in court than learning the rules of evidence, procedure and the criminal law. There is an expertise in courtroom work that comes only with practice. The same applies to evaluating and preparing evidence and witnesses. The community cannot afford to train prosecutors on the job but must have a fully-trained professional all of the time. Knowledge that the county attorney is competent and experienced, and that he will ably press all of the state's advantages in close or difficult criminal cases is productive of expeditious and economical guilty pleas.

There is an ever increasing demand for the county attorney to give policemen in the field quick, correct, meaningful answers to their questions - answers on which they can safely act with confidence and effectiveness.

Prosecuting is a serious business in Rockingham County and must be handled by an experienced professional.

COUNTY ATTORNEY MUST BE INCORRUPTIBLE

We go to great pains to secure an incorruptible judiciary and then create a hungry prosecutor confronted by countless daily invitations to corruption. Granting to an accused person favored treatment not available to the population at large is corruption.

The part-time prosecutor is most prone to corrupting influence because while he seeks goodwill in his private practice, his public job as prosecutor, by definition, offends many people. With an unknown, novice, part-time prosecutor the problem is even greater. The conflicting interests of the private practice coupled with the public responsibility almost certainly spawns, at least, some subconscious favored treatment which detracts from the quality of the public effort.

A full-time county attorney adequately compensated affords the best prospect of a prosecutor immune from corrupting influences.

PART-TIME COUNTY ATTORNEYS

Part-time county attorneys are desireable only for economic reasons. They fill the office with least expense to the county because they are expected to supplement their public salary with a private practice.

The part-time county attorney is not feasible from the point of view of an experienced lawyer because the public position does not afford sufficient time to conduct a profitable private practice. The part-time county attorney is attractive to a novice lawyer because it affords a base income while he gains experience and builds a private practice.

The part-time county attorney is unattractive from the county point of view because the pay for the public office is paid regardless of the public work accomplished but he must produce for his private clients if he is to be paid. The pressure is there for the part-time county attorney to neglect his public duty for his private work and because he is expected to have a private practice he can do so with a clear conscience.

This aspect of the part-time county attorney system is the best argument for a fully-paid, full-time prosecutor. The problem is even worse with a part-time prosecutor with an assistant because the public work can be left with the assistant while his boss makes money.

FULL-TIME CAREER PROSECUTOR AT A REALISTIC SALARY

The full-time career prosecutor adequately paid affords the best opportunity to secure incorruptible excellence in the county attorney's office.

Thirty thousand dollars is not too much to pay for an experienced full-time attorney. After taxes an experienced trial lawyer would still be sacrificing income to hold the job. We pay more than that annually for defense attorneys to defend indigent defendants. That salary compares favorably with what is paid

other county officials.

The prosecutor, on call twenty-four hours a day, carries a greater work burden and greater responsibilities than superior court judges. The clerk of the superior court who keeps records and schedules hearings is salaried at \$21,500.00 plus master's fees which are considerable. The county attorney is the legal guts fighter and should be paid accordingly. Judges and clerks with less responsibility and no round-the-clock "headaches" are paid in the \$30,000.00 range - but if incorruptible excellence is the goal, it is unrealistic to meet that goal by comparisons with other jobs. If it makes sense in terms of professional services to pay a full-time county attorney \$30,000.00, it makes sense regardless of what the governor and attorney general are paid. The same services performed by the county attorney would cost much more than \$30,000.00 if furnished to a private enterprise. All the professionals involved in the criminal justice system are paid in the \$30,000.00 range except the county attorney. This is true of judge, clerk and most defense lawyers.

There is always the danger that a less competent or even an incompetent person will be elected to the job, but that is true of any elected position. That is a risk of democracy. A part-time, poorly paid, half-serious office will attract a part-time, half-serious, novice candidate while making the county attorney job a serious, attractive legal position will attract serious, attractive, legal candidates.

"Nol-Pros" Report:

"Nol-Pros" the popular term applied to the dismissal of criminal charges by the county attorney or other prosecuting authority, is a corruption of the latin phrase "noble prosequere" literally meaning "will proceed no further." Use of the "nol-pros" is not by itself a bad practice. In fact withholding a "nol-pros" in some cases can be an unfair practice, as when a prosecutor forces a defendant to go to trial on a case which he knows in advance the state cannot win. However, the use of the "nol-pros" as a favor to anyone including the prosecutor's leisure time is an improper, corrupt practice. The merit of the "nol-pros" must be

measured by the prosecutor's reasons for using it.

There are many good reasons for using the "nol-pros" related to evidence, witnesses, prosecutor strategy and public expeditious and economics.

In almost every instance where the "nol-pros" was used in 1972 in the Superior Court the reason for it is noted on the complaint or indictment in the public court record.

The following represents the principle reasons for the 109 "nol-pros" in 1972:

20 — in consideration of guilty pleas to other charges.

37 — insufficient evidence or unavailable witnesses at time of trial.

12 — at request of complaining witness who refused to testify.

16 — inexpedient to prosecute.

5 — defendant deceased.

5 — resulting from consolidation of multiple charges into one action.

Respectfully submitted,
Carleton Eldredge, County Attorney

SHERIFF'S DEPARTMENT

To The Honorable Board of Rockingham County Commissioners
County Justice Building
Exeter, New Hampshire

Gentlemen:

In addition to the ever increasing work load of investigations of crime and requests for assistance from local departments within the county, the Department this year is not only the Central Dispatch Center for all radio connected departments, but is handling as well police telephones for various towns in the County.

In answering the town police calls, the message is taken, logged, and dispatched to the local cruiser covering that particular town. This, of course, is in addition to all county officers attached to this Department.

As of January 1, 1973, the telephone switchboard for the entire County Justice Building, will be handled by the Department from the Dispatch Center on a twenty-four hour basis.

According to a conducted time study, it has been estimated that, in order to ensure complete coverage and ample personnel, the Center should employ seven (7) full time dispatchers, now being handled by five (5). It is anticipated that in the forthcoming year we will be able to have six (6) dispatchers to maintain our present efficiency in covering the Center, the second largest police network in the state.

During the past year 125,000 radio transmissions, 40,000 telephone calls and 9,000 teletype messages were handled by the present staff connected with the Dispatch Center.

The Rockingham County Police Academy had its sixth session during the past year. The attendance was represented by police officers from twenty-nine towns, graduating eighty-two personnel connected with same.

The curriculum covered subjects, fourteen in all, ranging from court procedure, homicide investigations, police patrol and approach of vehicles, note taking and report writing, law enforcement and the press.

As of April 1, 1972, the County Delegation agreed to abolish the fee system under which all civil processes had previously been handled, placing deputy sheriffs on salary, with the resulting monies turned over to the County. It was estimated that in a year's time \$60,000. would be earned and turned into the county treasury. The program commenced April 1, 1972, only allowing nine months participation in the program, and realized the amount of \$57,129.91 for civil services rendered.

It is hoped that, with the cooperation of the Delegation reviewing the fees, an additional \$20,000 would be realized.

Respectfully submitted,
George Sampson, Sheriff

SHERIFF' DEPARTMENT

To the Honorable Board of Rockingham County Commissioners
County Justice Building
Exeter, New Hampshire

Gentlemen:

Following is my report of the Rockingham County Jail and House of Correction:

Closed circuit television has been installed at the institution, serving a dual capacity. It provides the personnel with complete observation of all activities within the institution, with the exceptions of showers and bunks, the privacy of the inmates is not invaded in these two locations. Not only is the security of the personnel ensured, but the inmates are also protected from interference from other inmates, tier bosses, etc.

No incidents have taken place in the institution this past year, all personnel connected with the institution have been upgraded, the inside of both the jail and house of correction have been repainted and stand ready for "white glove" inspection at any time.

Admissions to the institution increased this past year to 1098, a drastic increase from years gone by. Days wherein the inmates spend time waiting court trial increased far and above time spent during the preceeding year. There has been no increase in staff.

I agree with the continuing program on the part of the Commissioners in improving the external part of the building as well as the appointments within the institution.

Respectfully submitted,
George Sampson, Sheriff

ROCKINGHAM COUNTY COOPERATIVE EXTENSION SERVICE

The cooperative Extension Service represents more than 35 years of informal education in responding to the priority needs expressed by the people of Rockingham County. The work is in cooperation with the University of New Hampshire and the United States Department of Agriculture.

Through a unique process of educational program planning involving county people, a team of professional Extension Agents as resource people may draw on the expertise and subject matter competence of faculty at the State University to give leadership in educational program efforts for all members of the family.

Traditionally the Extension philosophy has been noted for its objectivity and non-partisanship when providing citizens with information. It is also noted for its close identification with local people through volunteer leadership and training programs to extend information.

Its flexibility of program development makes it able to respond to the changing needs of the people it serves.

The Cooperative Extension Service provides a multiplier effect through its educational delivery system and its close working relationship with many organizations and groups.
